

Founded in 2013 by David & Michelle Dufenhorst, Rocky Pond Estate Winery produces terroir-driven wines of distinction from our SustainableWA certified estate vineyards in Washington's Rocky Reach AVA. Planting roots on the wind-swept terraces of granite, rock and sagebrush along the Columbia River is a labor of love, and like any great winegrowing region, arose out of passion, dedication to quality and stewardship of land. Combining classic winemaking technique and precision viticulture, Winemaker, Elizabeth Keyser, guides the slow journey from vineyard to bottle, deftly crafting blends that showcase the magnificent attributes of the Rocky Reach AVA.

“ROCKY POND WINERY IN THE ROCKY REACH AVA MARCHES ON WITH SPECTACULAR NEW RELEASES AND IS SET TO CREATE A WORLD-CLASS EXPERIENCE AT THEIR ESTATE.” - Wine Advocate, May 2023

2022 GLACIAL TREASURE WHITE BLEND

TASTING NOTE

The 2022 Glacial Treasure is summer in a glass; exuding notes of fresh stone fruit, white flower and lime zest. The same aromatic, zesty punch prevades on the mineral-inflused palate, perfumed with stone fruit and providing a wonderfully vibrant and structured finish.

-Elizabeth Keyser, Winemaker

AVA - LAKE CHELAN

The Lake Chelan AVA is one of the only Columbia Valley sub-appellations that does not have basalt bedrock, but rather granitic bedrock. It also has a unique climate, due to its location and the 'lake effect,' causing moderate temperatures, providing cooler summer days and warmer summer nights compared to the surrounding regions.
